

## Matching Grant Funding Help Needed from District 7690 Clubs

Our District Matching Grant Committee and many of our Clubs need help from other D7690 Clubs to co-sponsor/complete Matching Grant Applications we have available, or will have available soon. Please contact District Matching Grant Chairman Larry Aiken, if you or your Club can help. 8 of these projects are a direct result of our D7690 Volunteer Service Grant Visit to D4170 Mexico this August.

Remember individual Rotarians, as well as Clubs, can fund Matching Grants. This year our District Goal is for all 52 Clubs to participate in funding 1 or more Matching Grants. We have averaged \$1000-\$2000 per Club, but a contribution of \$250 is greatly appreciated.

Contact Larry Aiken ([larryaiken@charter.net](mailto:larryaiken@charter.net)) to learn more about the projects listed below! I have several applications that are incomplete at the moment. When they have been completed they will be on this list. (example – 2 MG Applications for Turks and Caicos Islands - High Point RC will need co-sponsoring help.)

Project Title	Host Country and Club	Project Cost	Total Funds Needed From D7690 Clubs and or Rotarians
