Howard Tours

Founded in 1948, Howard Tours has been operating tour programs for over six decades. Thousands of Rotarians have traveled with us to participate in polio eradication trips, wheelchair deliveries, and humanitarian missions. This is the 14th polio eradication program we have organized.

Howard Tours is a tour company, and not a travel agency. We do not resell tours from other companies. Instead, we select and purchase the travel services directly from the airlines, hotels, sightseeing companies, etc. We then sell these tours directly to our customers affording our travelers the greatest travel value.

This program has been organized to include all of your essential travel needs after our arrival - no further fees will be charged after we arrive in India. This material provides you a specific itinerary and our terms and conditions to know specifically what is, and is not, included in the price of the program.

Rotarian Purpose

Our Indian hosts have opened their arms to receive us by helping to create a unique and exceptional itinerary. In addition to our participation in the National Immunization Days (NID), we will participate in special Rotary events. **During our visit, all participants will be expected to attend all official programs**, including the National Immunization Day activities and club visits.

Special Note on Airfare

By the time the Indian Government confirmed the immunization dates, it was too late to secure a group contract with the airlines. Therefore, the tour price includes ONLY the ground services, and does not include airfare. The itinerary was designed to include American Airlines flights that offer the lowest airfare and most convenient flight itinerary from throughout the U.S. Our airport transfer are coordinated to the American Airlines schedule.

Current American Airlines economy class roundtrip airfare between San Francisco and Delhi is approximately \$1350, plus a \$50 service fee. Quotations for other originating cities are available upon request. Availability and airfare are subject to change until the tickets have been paid for and issued. To secure the lowest priced airfare, please provide us with a Visa, MasterCard American Express, or Discover credit card number on the application. We will then immediately secure your reservations. Once secured, we will reconfirm your flight itinerary and airfare BEFORE purchasing your airline ticket.

Passport, Visa and Health Requirements

All U.S. citizens are required to have a valid passport and Indian visa. The cost of obtaining your visa is not included in the tour price. Howard Tours will assist you with obtaining your visa. We will forward detailed instructions with your tour confirmation materials.

Inoculations: The Center for Disease Control (<http://www.cdc.gov>) indicates that there are no **required** vaccinations to travel to India. They **recommend** that U.S. citizens take precautions against yellow fever, malaria and other diseases. Please consult your physician or travel doctor to determine the precautions appropriate for you.

Delivery of Documents: Due to the last minute nature of this group, travel documents will be delivered to you very near our date of departure. We will send documents to you via UPS or other secure delivery method. Please be sure that we have a delivery address on file where someone is available to receive and sign for packages during normal business hours.
