Guests present:

President Jim Adams confirmed that a \$1,000 scholarship had been offered to graduating Central High School senior Mindy Pritchett, who has served as president of the HPC Interact Club for two years.

Assuming that the Membership committee has no problem with the proposals for membership that are currently in the pipe, when he receives them Phil Morris will begin to publish them.

Jim reported on a letter he sent to several honorary members of the club inviting their active participation.

Skip Nash shared with the board that as a result of his Vietnam involvement he has been diagnosed with Parkinson's disease, and asks that his friends understand if he begins to demonstrate some of the symptoms of the disease. On behalf of the board, President Jim wished Skip safe passage through this challenge in his life, but expects Skip to continue demonstrating 'Service Above Self.' (If the Secretary may paraphrase Jim's sentiments.)
