-- "HUB" --

That's what the man said, the "HUB." Ain't too fancy, YET, but we're off and running! Eventhough it does lack a little "Wall Street" art work (which Tom Wiley will supply shortly) it is the First Edition of your News Bulletin - officially named the "HUB."

Thanks to Stanley Taylor and "crew" we enjoyed a very interesting and entertaining program Monday, Oct. 4th. Bob Boyles, head football coach at H. P. Central displayed the ability of his highly touted team via a game movie of the Bisons vs. the Thomasville Bulldogs. Also, Bob had some inside information on King Arthur's "Knights."

President Bill urges your loyalty in attendance and extra efforts necessary to make up any absences. Either six days in advance of an absence or within six days after an absence, you may make a "make-up" at ANY Rotary Club. Note: Jamestown Rotary meets on Tuesday evenings; Thomasville, on Wednesday noon; and High Point, on Thursday noon.

We aren't the biggest Club, but we've got a darn good one going. We can be a leader in ATTENDANCE. Don't let your fellow Club members down. If you miss, make it up. Enough said.

GUESTS, Oct. 4th.

- Marty Taylor
- Dwight Bumgarner
- Dick Winchell

We were delighted to have these fellows visit with us. Extend a cordial invitation to them to meet with us again soon! We are always glad to have guests visit our Club.

-- NEXT WEEK --

Past District Governor, Henry Anderson will speak to us on the "Meaning of Rotary."

POINT WORTH CONSIDERING: We should be more interested in getting Rotary into men, than getting men into Rotary.
(Thanks to Governor Richard Earl)
