Anchors Away

What do you want to do when you graduate from high school? What do you want to do when you graduate from college? Can't afford to go to college? Ford Bowers offers his services as a counselor for those who are curious about the military as a vehicle for entering the work world. Recent high school and college graduates should realize that military experience can have a positive impact on one's resume. If you know anyone who would benefit from considering the Navy as a way to launch a career, connect them with Ford. It's different than your old military!

The nominating committee offers the following slate of officers to serve during the 2001-2002 Rotary year. Nominations from the floor will be accepted, but make sure the person you nominate will agree to serve with President LuAnn Dove. Elections will be held on December 18th. The slate of officers will be sent to you this weekend.

Did you read your magazine?

What is the trick to eating crow? To pretend it tastes good! Nobody won that one, probably because of the arrival of a new issue of the Rotarian coincided with the

arrival of the newsletter. Find the answer to this week's question in December issue of *The Rotarian*: Who was honored on September 11 for a contribution to the polio eradication initiative, and what was the size of the gift? The first person to get me the answer will win big-time next regular Monday meeting! I accept answers by voice mail, fax, email, or from the floor during the regular Rotary meeting. Judge's decision is final. –judge morris.

Student of the Month

Stephen White is student of the month for December. He has a grade point average of 3.125, and is a junior. He played football in 9th, 10th and 11th grades, helps with the Trinity Athletic Booster Club; he is a member of the Archdale United Methodist Church.

Interactors: you are always welcome!

Representing High Point Central Interact at our meeting today: Mary Catherine Cornwell and Isaac Stewart. You are always welcome at our meetings.

Christmas Initiatives:

Santa's Elves: First, I would like to sincerely thank everyone whereas we have placed all of the children (about 250 kids)! All of you are extraordinary and deserve all of the praise for providing these kids with a Christmas. The deadline to get the presents back in is December 15! As you put your presents by the tree at the front of Rose Furniture, please alert the ladies at the front desk. They have a copy of the list and are marking off the names to make sure that we have everyone

presents accounted for. *(A memo from Bob Garland to employees of Rose Furniture and members of Furnitureland Rotary.)*

Ring the bell for the Salvation Army at Walmart on December 19th. To schedule yourself, call Bill Green at 889-8271.

Club Gift Exchange: LuAnn advises that the traditional club Christmas gift exchange will be held on December 18. Bring a suitable gift (approximately \$10) which you believe a fellow Furnitureland Rotarian will appreciate.

“Remember, there are several ladies in the club. No sexist presents allowed. LuAnn suggests a fine wine, but can the golf balls and car parts!”

...And finally

My brother-in-law, the preacher suggests that numerous churches are now serving coffee after the sermon. Perhaps this is to get people thoroughly awake before they drive home..”
