A High Point Resource: Furniture Discovery Center

Dawn Brinson, director of the Furniture Discovery Center, discussed the development and purpose of the museum. It fills an important niche in High Point's life. Many people who come to High Point to buy furniture can learn much more about the industry by visiting the museum. The museum is located behind the High Point Visitors Bureau at 101 West Green Drive.

Chad Habeeb of Westchester Academy won the contest. High Point Rotary sponsored him. Thanks, Sparky for managing this project. Also attending the event was Jack Green, who as District Governor was a judge, and Phil Morris. 11 of the students who won their local competitions were from Guilford County. And thank you **Scott Culclasure**, for coordinating Central High School's efforts.
