About Bricks

The solar heart garden is our **Rotary Centennial Project**. And it is time to step up and support this worthwhile project that will enrich our community, provide a significant educational resource and honor 100 years of Rotary International. [You can find an order form below](#). Dick Thomas wonders if you are not submitting your order because you are still wondering how your 'brick' should be worded. If this is the case, if there is any way the bulletin editor can help, send a brief description of what you are trying to accomplish to him at PhilMorris@Rotary7690.org.

Chairman Richard Wood reports the following statistics:

- Furnitureland's goal: \$16,000.
- Sales to date have generated: \$10,000.
- "Centurions" (individuals who have committed to buy and/or sell 10 bricks): 4

The Queen Of Hearts

Is on vacation as are we all.

*With the World Series just around the corner, I am reminded of my **Brother-in-law, the preacher's son and the time I overheard him talking to himself as he strutted through the backyard, wearing his baseball cap and toting a ball and bat.***

"I'm the greatest hitter in the world," he announced. Then, he tossed the ball into the air, swung at it, and missed.

"Strike One!" he yelled. Undaunted, he picked up the ball and said again, "I'm the greatest hitter in the world!"

He tossed the ball into the air. When it came down he swung again and missed.

"Strike Two!" he cried. The boy then paused a moment to examine his bat and ball carefully. He spit on his hands and rubbed them together. He straightened his cap and said once more, "I'm the greatest hitter in the world!"

Again he tossed the ball up in the air and swung at it. He missed. "Strike Three!"

"Wow!" he exclaimed. "I'm the greatest pitcher in the world!"
