IN ASSOCIATION WITH THE DEEP RIVER ROTARY CLUB has identified what they hope to be a signature project: **The Southern Triad**

Missions Inc. – Food Pantry of the Ward Street Mission Church. Once a month members of Deep River Rotary provide staffing at the Food Pantry. Recently they were told that they would not be needed to staff the program because the cupboard was bare! At the same time, our Joe Hellinger suggested and is implementing a canned food drive. When Joe asked if there were any suggestions as to which food bank we might support, the **Deep River Rotary Club's** project came to mind. More cans are needed. Here are suggestions for items needed that have been prepared by the Ward Street Mission.

Rotary Friendship Exchange

An interesting Rotary program of fellowship is the Rotary Friendship Exchange. This activity, originally recommended by the New Horizons Committee in 1981, is intended to encourage Rotarians and spouses to visit with Rotarian families in other parts of the world. It may be conducted on a club-to-club or district-to-district basis.

The idea is for several Rotarian couples to travel to another country on the Rotary Friendship Exchange. Later the hospitality is reversed when the visit is reciprocated. After a successful pilot experiment, the Rotary Friendship Exchange has become a permanent program of Rotary.

The Rotary Friendship Exchange is frequently compared to the Group Study Exchange program of The Rotary Foundation, except that it involves Rotarian couples who personally pay for all

expenses of their inter-country experience. Doors of friendship are opened in a way that could not be duplicated except in Rotary

Rotarians seeking an unusual vacation and fellowship experience should learn more about the Rotary Friendship Exchange. Some unusual Rotary adventures are awaiting you!

THE 4 WAY TEST

of the things we think, say or do . . .

1. Is it the TRUTH?
2. Is it FAIR to All Concerned?
3. Will it Build GOODWILL and Better Friendships?
4. Will it Be BENEFICIAL to All Concerned?

DEAL ME IN . . . I GOT THE QUEEN

Woodie Cain tried but not hard enough. A rigorous audit of the Treasury reveals \$1,100 give or take.

AND FINALLY:

My brother-in-law, the preacher bought a new car that sported an on-board computer. One Sunday morning when he got into the car to drive to church, the digital display lit up. Glancing at the readout, he chuckled at the announcement: "Time for service."
