*Courtney Mosley is shown with her parents and Immediate Past President Barbara Fry. Courtney was the Trinity High School recipient of the 2008 Furnitureland Rotary Scholarship. Courtney's mom is Allison Mosley, a dropout prevention coordinator at Trinity High School and her dad is Mark Mosley, a representative of IKON Capitol.*

Not letting any grass grow under her feet, here is a letter that John Womack received from Courtney:

Dear Mr. Womack & Furnitureland Rotary,  
Thank you so much for choosing me to be your scholarship recipient and for the many great times at String and Splinter. I am so excited and anxious to begin college in August at Elon University; and I'm so grateful that with your help I am able to even attend this prestigious university! Once again, thank you for choosing me!

With love and thanks,  
Courtney P. Mosley

### Today's Program

Falcon, Senior Partner in **NyghtFalcon Photography** introduced his company which consists of a staff of over a dozen free-lance photographers based world-wide, who have adopted a core value of extraordinary technical quality and intense emotional content using a digital medium. He has successfully emulated the properties of various film types and techniques digitally. Falcon is challenged with a vision impairment which he sees as an opportunity for being able to visualize color by understanding it's representation in grey tones in ways that a full-sighted person is unable to do. It sounds to this amateur that Falcon is at the cutting edge of a school of photographic thought which may define quality

in the digital imaging medium. Falcon provided an unusually fascinating program, earning kudos from our program chairman who has just returned from vacation, and who promises he will arrange a program for next week.

## THE 4 WAY TEST

of the things we think, say or do . . .

1. Is it the TRUTH?
2. Is it FAIR to All Concerned?
3. Will it Build GOODWILL and Better Friendships?
4. Will it Be BENEFICIAL to All Concerned?

### QUEEN OF HEARTS

### FINALLY

It was that time in the Sunday morning service for the children's sermon. All the children were invited to come forward. One little girl was wearing a particularly pretty dress and, as she sat down, my brother-in-law, the preacher leaned over and said, "That is a very pretty dress. Is it your Easter dress?" The little girl replied, directly into the by brother-in-law's clip-on microphone, "Yes, and my Mom says it's a bitch to iron."
