2009 Furnitureland Rotary Club Scholarship
left to right – President Jef, Whitney Messer, and
parents, Edwin and Sarah Messer

Larry Little, Regional Vice President of Jackson National Life Insurance Company put his spin on what is working and what are the challenges in today's economy.

Whitney Messer, graduate of Trinity High School, received the 2009 Furnitureland Rotary Club Scholarship:

Whitney will be attending University of North Carolina next fall. While at Trinity High School Whitney served as Beta Club president. She also was a member of the Junioresettes, and Junior Civitans. She worked on the year book for two years. Whitney volunteered at Cooperative Community Ministries - a local food pantry. She has been active in her church's youth group. She helped at Charlotte's shipping location for Operation Christmas Child, also known as Operation Santa. She volunteered at the United Methodist Women's Mission Response Center. Academically, Whitney excelled, as evidenced by membership in the National Society of High School Scholars, the Honors Society. She received the Outstanding Writers Award, Award of Academic Excellence for end of course testing. She was a Junior Marshal. "Her experience in high school," said Furnitureland Youth Services Chairman, John Womack, "exhibits her enthusiasm for helping others, and her embracing of the Rotary ideal of "Service Above Self."

Bragging Rights

Received E-mail from Matt Teal:

Tom and Lauren Fatyol's twin sons Scott and Gran took the top two academic honors during the 8th grade graduation ceremony from IHM School. The two will attend HP Central in the fall. Congratulations guys.

[Glad to publish anything you want to brag about as well as long as it doesn't get out of hand! 😊]

Not a whole lot to do about Rotary . . . maybe.

The revival was finally over and my sister-in-law dropped into an easy chair saying, "Boy! Am I ever tired." My brother-in-law, the preacher looked over at her and said, "I had to conduct two special services last night, three today, and give a total of five sermons. Why are you so tired?" "Dear," she replied, "I had to listen to all of them."

P,S. The snake bite victim, Mr. Thomas, stopped by my office briefly...the City will not let him return to work before Monday!!! He looks fine and the bite is doing well....I am told the snake has terrible indigestion and may not survive!!!!
