Did you know that my brother-in-law, the preacher, was a tolerable golfer?

Probably he wasn't as good as the **FABULOUS FURNITURELAND FOUR FOOLS** . . . but every chance he got, he could be found on the golf course swinging away. It was an obsession. One Sunday was a picture-perfect day for golfing. The sun was out, no clouds in the sky, and the temperature was just right. My brother-in-law, the preacher was in a quandary as to what to do. The urge to play golf overcame him. He called an assistant and told him that he was sick and could not attend church. Then he packed up the car, and drove three hours to a golf course where no one would recognize him. Happily, he began to play the course. An angel up above was watching the preacher and was quite perturbed. He went to God and said, "Look at the preacher. He should be punished for what he's doing." God nodded in agreement. My brother-in-law, the preacher teed up on the first

hole. He swung, and the ball sailed effortlessly through the air and landed right in the cup three hundred and fifty yards away. A perfect hole-in-one. The preacher was amazed and excited. The angel was a little shocked. He turned to God and said, "Begging Your pardon, but I thought you were going to punish him." God smiled. "Think about it -- who can he tell?"

For the record, the 'Gross' team was from the Crescent Rotary Club. A Crescent Rotary Club team has won this event in 2001, 2002, 2003, 2004, 2005, ~~2006~~, 2007, and 2008 . . . and now again in 2009.

THE 4 WAY TEST

of the things we think, say or do . . .

1. Is it the TRUTH?
2. Is it FAIR to All Concerned?
3. Will it Build GOODWILL and Better Friendships?
4. Will it Be BENEFICIAL to All Concerned?

Casual Observation; after standing at hole 18 with a camera for 180 minutes; without nourishment:

1. Why is it that the practice swing always looks better than the real swing?
2. Golfers tend to swagger off of the golf cart, then tippie-toe back onto the cart after they have swung at the little ball.
3. A Golfer always appears more confidant as he looks at his ball at his feet, than he does when he is trying to follow the flight of the ball.

Oh well, Congratulations guys!
