## December – Family Month

Matthew Desantis  
HPU – 12/7/2009

Fairview Elementary School  
Students of the Month

Jeff Miller  
HPRHS, 11/30/2009

November 30 – **Jeff Miller** shared his concern and expertise concerning health care reform legislation as Congress began debating this significant program. He observes that the legislation is more concerned with reimbursement program reform rather than system program reform.

November 30 - **Fairview Elementary School Students of the Month** - (left to right) Counselor Melissa Clowe, students Sienna Kelly, Stephanie Winchester, Claudia Garcia-Esperanza, Tj Moore, and teacher Laconya Mitchell.

December 7 – World War II was the event that forced the US into the world community. **Dr. Desantis** compared the national attitudes towards World War II and the war in Afghanistan. Where the nation was united following the attack on Pearl Harbor, the war in Afghanistan divides us. The attack on Pearl Harbor and the attack on 9/11 made us realize that we are not alone in the world, and we are vulnerable. He tells us that when he discussed 9/11 in his classes the attitude of his students is “why bring this up . . . why can't we move on?”

## NEW PAUL HARRIS FELLOW

An individual is named a Paul Harris Fellow when he or she contributes a total of \$1,000 to The Rotary Foundation (TRF). An individual can be designated a Paul Harris Fellow when the contributor of \$1,000 requests that the individual be so recognized. As a result of direct contribution to TRF, and as a result of the contribution of others in our club to TRF the following Paul Harris Fellows were recognized:

**Chip Harris** – as a matter of policy our club makes its new members a Paul Harris Fellow. (We expect that new members will contribute to TRF at a sustaining level so that future new members might be so recognized.)

## Queen of Hearts

December 7 – Bill Klietsch bought the Jack of Spaydes. Poor investment. The treasury was reported by some as over \$1,400, by other as over \$1,500.

- The Holiday bell ringing is the single most important fund raiser for the Salvation Army?
- That if volunteer bell ringers aren't available, the Army must hire paid ringers?
- That volunteer ringers typically gather 50% more in donations than paid ringers?
- Read Furnitureland Rotarian Horton Godwin's account of his experience ringing the bell for Salvation Army . . . in the **December 15, 2008** issue of **theHUB**,
