January – Rotary Awareness Month

**Over 18 years:
150 correct
56 wrong
69.4%
Not bad for a guy
with a cold!**

For 2010:

1. Howard Coble easily will win reelection but that could be his last term.
 2. The Dow will rally above the 11,000 mark.
 3. Jimmy Johnson's epic 4-year reign will come to an end but Hendrick Motorsports will continue to dominate NASCAR racing.
 4. Republicans will make gains in midterm congressional elections and General Assembly races but probably not enough to control either the North Carolina House or the Senate.
 5. The doctor in the Michael Jackson case either will not be found guilty for the entertainer's death or if convicted, will receive a slap on the wrist penalty.
 6. High Point women's basketball team will finally make it to the NCAA tournament.
 7. Incumbents will be reelected in High Point but Archdale could see significant turnover.
 8. Bishop McGuinness girls basketball team will make a spirited drive in their quest for a fifth consecutive state-wide title.
 9. Democrat Cal Cunningham will prove to be a tough campaigner but Richard Burr will be reelected to the senate.
 10. A major employer will announce a move into the region providing a significant number of badly needed jobs.
 11. Several attention-grabbing – even bazaar stories will emerge in 2010, especially as PGA's Tiger Woods takes another furlough.
 12. Gerald Hege may come close but will not be reelected sheriff of Davidson County.
 13. Expect a huge upswing in production in corporate profitability.
 14. Talk about High Point University returning football to its sports program grows louder and is heard more often.
- iPhone app backlash begins: too many worthless apps and no decent way to find a good one – so Apple will surprise us all with new features so iPhones still will grab more mobile market share.

Queen of Hearts:

Nothing to do with Rotary – My brother-in-law, the preacher reports that the economy is so bad that he got a pre-declined credit card in the mail . . . It's so bad, he ordered a burger at McDonald's and the kid behind the counter asked, "Can you afford fries with that?"
