## Nothing to do with Rotary –

Another student wrote this after a Sunday School lesson on Angels: "Angels have a lot to do and they keep very busy. If you lose a tooth, an angel comes in through your window and leaves money under your pillow. Then when it gets cold, angels go south for the winter.

*"... Did your board of directors act wisely in concluding to hold the convention this year as usual? Who can doubt it? If there was to be just one convention to be held in the present decade, I would be of those who with fervor would say, "Let it be in the year of 1917," for this is the year of Rotary's greatest opportunity.*

*This is our first war convention; may it also be our last."*
