The 'Thoughts for the Day' part of our meetings is most important; although short in duration, it gets us started and most importantly, sets the tone for that day. President Jim would appreciate your effort to fulfill your responsibility and to do your part in making this year the best ever...in every way!!!

The 'Thought' topic is your choice. You can say a prayer; share an article of interest from the Rotarian Magazine; share remarks in keeping with the 'monthly' Rotary theme; share a personal story of interest; share past historical data on the date you do the 'Thoughts for the Day'; humorous remarks/stories....be creative!!!!

The list of assignments is shown on the Furnitureland Rotary website (go to Hub page) It includes the name of the member responsible for the 'Thoughts'; their phone numbers and e-mail address. If you cannot, for whatever reason, be there on your assigned day, it is your responsibility to switch with another member and to let me know who that person is in a timely fashion.

Thank you for your service to our Club.

Colby

P.S. Don't forget, after your 'Thought', lead us in the Pledge before you sit down!!!
