Dr Grace Terrell, President of Cornerstone Medical Group, tells us that unbridled health care costs are driving the economy and it is incumbent on the provider and the end user to eliminate “the default future.” It sounds too simple, but the end-game strategy is to lower costs and increase value in the health care system. Cornerstone hopes to find solutions by identifying and removing waste in the system, compensating health care providers for keeping people out of hospitals and out of doctor's offices.

Cornerstone Health Care
Our Mission
 To be your Medical Home
Our Vision
 To be the model for physician-led health care in America
Our Values
 As a physician owned and directed company, we are committed to ensuring that patient care is patient centered, safe, equitable, effective, efficient, and timely

Sleeps the Queen

He is past chairman and current board member of Communities-in-Schools of High Point. Proposed classification: **Furniture – Distribution**. [-2nd printing]

9th Annual Rotary Fellow; Spring Conference

Rotary's signature humanitarian project is the eradication of Polio around the world. Rotary has another signature project in education – the Rotary World Peace Fellow program. Launched in 2002, this innovative approach to world peace is a master's level program aimed at equipping the next generation of global and community leaders with skills needed to reduce the threat of war and violence. The Rotary World Peace Fellows are selected every year in a globally competitive process that begins when they apply through their local Rotary clubs. Applicants must demonstrate a commitment to peace and international understanding through their personal, academic and professional achievements. One of the World Peace Centers is at Duke/UNC. Each spring each of the 10 members who will be graduating discuss what they have been studying at the Spring Conference. This event is **free and open to the public** and you are encouraged to attend. It is

one of the best ways to watch your contribution to The Rotary Foundation at work! Don't blow this one off! Here are compelling reasons for you to join us in Chapel Hill for this event:

1. This **event is FREE** to anyone who wishes to attend . . . you don't have to be a Rotarian!
2. Even the **lunch is FREE**
3. **Parking is FREE** and easily accessible in the parking deck below the FedEx building.
4. **Inspiration is FREE.**

Visit this link to learn more about the World Peace program:

NOTHING TO DO WITH ROTARY –

"And, Father, I ask thee now for a good text to accompany this fantastic joke."
